

Haliburton Highlands
GREEN BURIAL SOCIETY

- A Virtual Public AGM Presentation -

Why Green Burial?

Your Ecological Legacy After Death

Join us for a virtual presentation by Elizabeth Fournier, author of the “Green Burial Guidebook”, on why green burial helps build eco-friendly legacies unlike cremation and conventional burial.

A short AGM business meeting will follow the presentation and question and answer period.

Everyone welcome.

Wednesday April 27, 2022, 7:30pm

To register for this Zoom presentation go the HHGBS Website:
